

>> Isbadallada lagu sameeyay Kaalmooyinka Caafimaadka ee COVID-19 <<

Marka la gaaro **Maayo 11, 2023**, xaalada degdega ah ee caafimaadka dadwaynaha ayaa dhamaanaysa. Xaaladaha degdega ah ee caafimaadka dadwaynaha ayaa u sahlaaya dawlada inay lacagta si dhakhso ah u isticmaasho ayna abuurto barnaamijyo cusub si loo taageero faya qabka dadwaynaha.

Inkastoo xaalada degdega ah ee caafimaadka dadwaynuhu ay dhamaanayso, haddana COVID-19 ayaa wali ah cudur khatar badan.

- Dad badan ayaa wali dhimanaya maalin kasta gudaha Marayanka, kuwo kale oo badan ayaana wali xanuun adag ku dhacayaa.
- COVID-19 ayaa sidoo kale carqalad gelin kara hawl maalmeedka adiga iyo qoyskaaga, asagoo ka hor istaagaaya dadka inay aadaan shaqada ama dugsiga.

Waxaad u baahan kartaa inaad iska bixiso qarashka baaritaannada, daawooyinka iyo talaallada COVID-19. Intii lagu Jiray Xaalada Degdega ah ee Caafimaadka Dadwaynaha, talaallada, daawooyinka iyo baaritaannada COVID-19 waa lacag la'aan. Kadib Maayo 11, qimaha daawooyinka, baaritaannada iyo talaallada ayaa ku xirnaan doona caymiskaaga caafimaadka.

Haddii aad haysato Medicaid, wali waa inaad cadeysaa inaad kaalmada u qalanto sanad kasta. Intii lagu jiray Xaalada Degdega ah ee Caafimaadka Dadwaynaha, dadla caymiska caafimaadka ka hela Medicaid ayaa si otomaatig ah loo diiwaan gelinaayay sanad kasta. Kadib maarsro 31, dadka ayaa u baahan doona inay cadeeyaan inay u qalmaan sanad kasta.

Haddii aad adeegsato SNAP, waxaa laga yaabaa inaad dawlada ka hesho lacagta taageerada cuntada oo ka yar intii hore. Inta lagu jiray Xaalada Degdega ah ee Caafimaadka Dadwaynaha, dawlada ayaa siisay qoysaska adeegsada barnaamijka Supplemental Nutrition Assistance Program (SNAP, Barnaamijka Caawimaada Kaalmaatiga Cuntada) cunto dheeri ah. Qoysaska ayaa mar dhaw laga joojin doonaa lacagtaan dheeriga ah.
